

For several years, I enjoyed the privilege of being able to photograph productions from the Castle Players.

This “e-book” has some of the images taken during a rather damp performance of ***As You Like It*** at the Bowes Museum on the 10th July 2012. I have tried to capture all of the cast - apologies to anyone left out!

There are a few images of the audience to emphasis the damp conditions.

I hope you enjoy viewing these images as much as I enjoyed taking them.

A handwritten signature in black ink, which appears to read "Dave Will". The signature is written in a cursive style with a long horizontal flourish at the end.

If from the east the winter led,
The ground is like a blanket,
The world being wrapped in the snow,
If only all the world were wrapped,
All the pictures of the world,
And that black in the world,
Let me give to keep in mind,
And the face of the world.

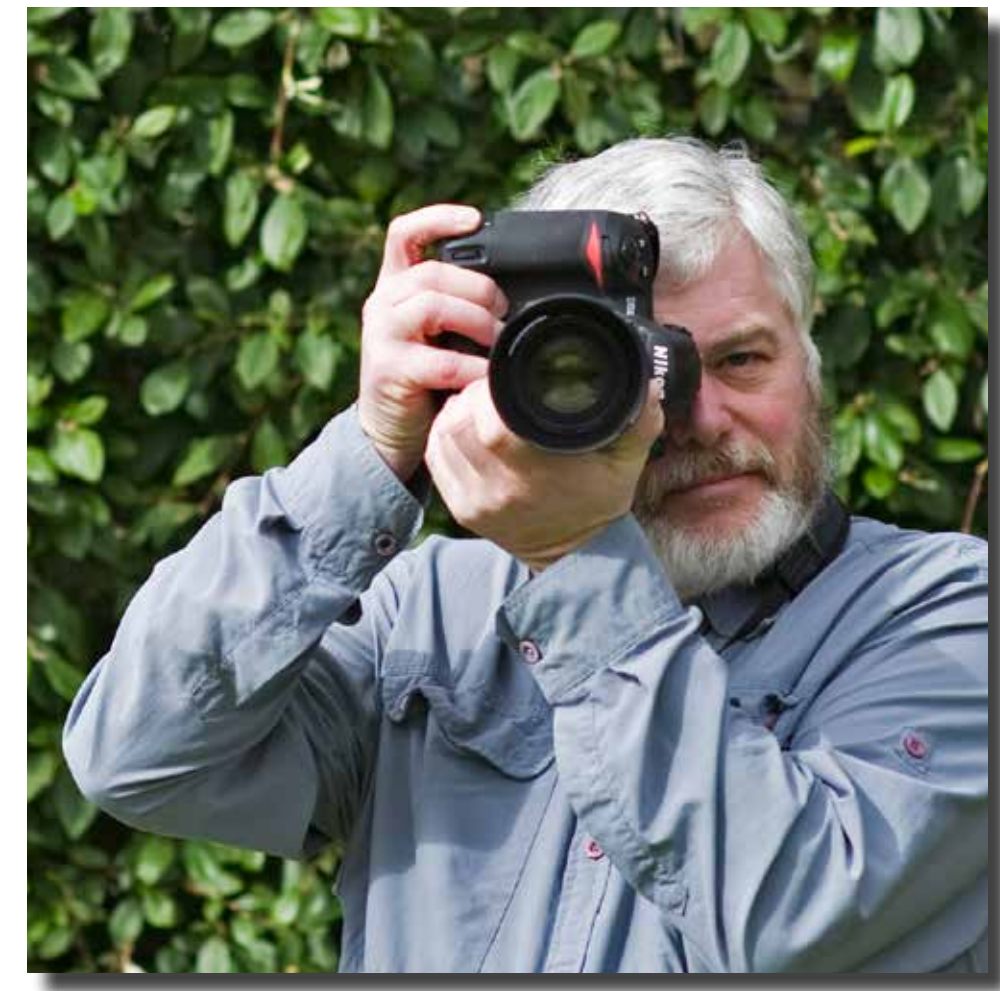

Whilst all these images are not watermarked, they do remain my copyright and I would appreciate the courtesy of being asked should you wish to use them outside of this document. You are welcome to link these pages on your website but please do NOT put a copy on your site.

Thank you for viewing.

All images will have been taken on Nikon cameras and lenses in the RAW format before being processed in Capture One and exported for collation in Adobe InDesign.
